**BOARD REPORTS**

**Chairperson:** Dick B

- Dick announced that we are still looking for a Volunteer Coordinator and he is continuing to fill the position
- It was suggested that people spread the word to call the Central Office first before going to make sure someone is in the office
- Dick stated that the Central Office needs office volunteers. The telephone volunteers are all filled
- Bob R gave a summary on how the Phone Scheduler works:
- The software package was developed by Gary in New York. He also developed the District 22 website and the General Service website
- Names and phone numbers are preloaded which allows the phone scheduler to build a calendar for the month. The feature is set up so at the end of the month you can copy from the previous month, however, you can only copy 1 week at a time (week A or week B)
- Something went wonkie this month and the wrong data was put in. Matt spent several hours having to change the entire month
- Bob is going to ask Gary for authorization and will load the calendar at the end of this June. Bob said the next time this happens let him know so they can troubleshoot what happened
- Hopefully I got all this correct :-)
